Taconic Crest Trail – Cumulative End to End Summer Patch Application

Name (print) _____ Date _____

Address _____

City _____ State _____ Zip code _____

Phone # _____ E-Mail _____

Taconic Hiking Club Member? Yes ___ No ___ (Membership is not required)

A “Summer” award patch is available if you complete the entire Taconic Crest Trail over any timespan in the spring, summer or fall. This can be done with any number of day trips using the beautiful access trails, in two or three days, or as an ultra, unsupported 37 mile one-day hike.

It is recommended that you hike with at least 1 or 2 other people.

Plan ahead and let someone know your plans. Bring a map and compass; plenty of liquids; high energy foods; rain gear, bug repellent; sunscreen and sunglasses; first aid kit; headlamp with extra batteries; extra layers of clothing (no cotton); and other items as needed. Be prepared to turn back in the event of sudden changes in weather, conditions, or fatigue.

For additional hiking safety recommendations

go to www.dec.ny.gov then click on recreation>hiking>safety.
